

Pyramid Healthcare

AN INTEGRATED BEHAVIORAL HEALTHCARE SYSTEM

A Leader in Client-Focused Care

Pyramid Healthcare is dedicated to offering the highest quality of care to those we serve. A focus on client-focused care establishes our family of brands as respective leaders in addiction treatment, mental health recovery, and eating disorder treatment modalities.

Our Locations

Founded in 1999 and headquartered in Altoona, PA, Pyramid Healthcare's integrated behavioral healthcare system of 17 companies employs over 2,400 team members and operates 88 program locations and schools across 7 eastern states.

Our Staff

From **detox to outpatient treatment** and all levels of care in between, our licensed and experienced clinicians are passionate about providing **personalized, effective, life-changing care** every day.

Our Treatment

Our **full continuum of in-person and telehealth** behavior healthcare programs and specialty services for **adults and adolescents** includes **mental health, substance use, and eating disorders treatment** for ages 10 and up.
